

YOUR BASIC BUSINESS STRUCTURE

# INFORMATIONAL INTERVIEWS

For this assignment you will need to call and record conversations with 3-5 prior clients (or people who would conceivably buy from you). Your clients will tell you exactly what will attract you more clients.

\*This is a process you want to do every 3 months, as your business will change and their answers will change. Do not do this exercise once and keep using the same answers. Your sales will slow down if you do! Please put it in your calendar for 3 more times in the coming year.
